THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No.24185 OF 2006

O R D E R:

The petitioner is running a clinic in the premises bearing No.23-6-1024 &1029/3, Shah Ali Banda, Hyderabad. He complains that the respondents are trying to locate a bus shelter/bus bay, quite opposite to his premises, though other suitable locations are available, within a very short distance.

Heard the learned counsel for the petitioner and learned Standing Counsel for the respondents.

The premises in question are on a road, through which the local services of APSRTC are passing. Naturally, the respondents are under obligation to locate and identify bus shelter/bus bay. If not opposite to the premises of the petitioner, it has to be located elsewhere, and the same problem would arise. This court cannot decide as to whether the place chosen by the respondents is suitable,

or not. The petitioner can certainly make a representation to the respondents, pointing out his grievance, and if necessary, by indicating the alternative location also. In such an event, the respondents can consider the same and take necessary action.

Hence, the writ petition is disposed of, leaving it open to the petitioner, to point out his grievance, in relation to the localization of a bus shelter/bus bay, in the Shah Ali Banda locality, opposite to his premises, and on receipt of the same, the respondents shall consider the matter, with reference to the relevant provisions of law, and by taking into account, the grievance pointed out by the petitioner. There shall be no order as to costs.
